Dr. Louis DeJoseph

Premier Image Cosmetic and Laser Surgery

Dr. Louis DeJoseph is a Triple Board-Certified Facial Plastic Surgeon who leads the team of experts at Premier Image Cosmetic & Laser Surgery. The main campus located in Dunwoody has a AAAHC accredited out-patient Surgery Center to ensure first class convenience, safety and service. Dr. DeJoseph is a master of facial rejuvenation while Dr. Marc Klein a Board-Certified Plastic Surgeon is an expert in all body procedures. Together they lead a team of professionals who are licensed, skilled and passionate about what they do.

If you want a long leisurely day of pampering, Premier Image may not be the place for you. But if you want a new and improved look that will turn heads again, then look no further. Premier Image offers everything head-to-toe from basic facials to facelifts, liposuction to fat transfers, hair transplants and breast augmentations. But what sets Premier apart from the others is the amount of non-surgical procedures including laser hair removal, laser tattoo removal, cellulite

reduction and permanent fat removal. Premier Image is also a leader in the injectable community for neuromodulators and facial fillers such as Bellafill, Belotero, Botox, Dysport, Juvederm, Radiesse, Restylane, Restylane Silk, Voluma and Xeomin. Dr. DeJoseph is a nationally recognized speaker and physician trainer for injectable products.

Another Premier Image exclusive is the QT Lift™. The QT Lift™ developed by Dr. Louis DeJoseph is a revolutionary mini facelift which achieves optimum rejuvenation results with half the downtime. The procedure requires fewer incision sites which results in less bruising and swelling. Most patients are back to regular activities in or around 3 days. Patients travel from all over the world because of the minimal downtime and the natural results.

Dr. DeJoseph and his team invite you to experience the difference that is Premier Image.

“Giving a person back their youthful appearance with facial rejuvenation is a privilege.”
